Twisden Works

A small converted warehouse set behind a courtyard; it sits (a bit incongruously) at one end of a row of small terraced Victorian houses.

Directions

Twisden Road is a short 1-way residential road; at the end furthest from the entrance (i.e. at the NE end of Twisden Road), there are some large wooden gates on the right hand side of the road. There's an entry-phone marked Origin - please call up (or call our main number) and we'll open the gates. You can then reverse your vehicle into the courtyard behind the gates (there are street parking restrictions between 10am and noon).
